

POWER YOUR SAVINGS

GEORGIA'S HOME ENERGY REBATES

About Georgia Home Energy Rebates

The Georgia Home Energy Rebates Program will provide \$220 million in funding for energy efficiency and electrification upgrades for Georgian homes, helping to reduce monthly utility costs, reduce energy use, and enhance home comfort and indoor air quality. Rebates are point-of-sale discounts (taken directly off your invoice). Funds are limited so eligible homeowners are encouraged to apply early. **See below for qualifying upgrades.**

About Home Electrification Appliance Rebates (HEAR)

The Home Electrification Appliance Rebates (HEAR) program provides point-of-sale rebates (a discount applied directly to your invoice) for households at or below 150% Area Median Income. Rebates can be used on multiple eligible upgrades. This program is for fuel switching. Both programs can be used together for eligible measures for a maximum rebate of \$30,000

Household Size	1	2	3	4	5	6	7	8
Household Income 80%	\$53,609	\$61,271	\$68,935	\$76,556	\$82,726	\$88,832	\$94,956	\$101,704
Household Income 150%	\$109,232	\$117,818	\$129,321	\$143,559	\$155,071	\$166,553	\$178,035	\$189,526
